## Company Update

Wow! It has been quite a jam packed month. Thanks to guidance from [Social Networking Girls](#), our social networking program is underway. We have groups on [LinkedIn](#) and [facebook](#) (123 members!!), Joelle is blogging EVERY day (read her take on [Michael Phelps and Chris Brown](#)), and she is even on [Twitter](#) (but has yet to figure out how to really make it work). We have also established our [Ning](#) site through which we are presenting 4 great professionals (read more below).

Congratulations to Becky, one of our past interns!! She just accepted her first post-grad full-time position. Send her some congrats (and job advice): [rsoohoo@verify-ed.com](mailto:rsoohoo@verify-ed.com).

To that end we are putting them into contact with our alliances in résumé writing, professional coaching, and recruiting. We are VERY interested in your comments on the steps that we are taking and we hope you enjoy the journeys!
